You're due a smart meter upgrade

23rd July 2021

Dear Miss Rhule,

We haven't heard from you since we last got in touch about smart meters. You're due a free upgrade for your home, so please give us a call today to arrange a time that's convenient for you and we'll replace your existing electricity meter.

Keeping everyone safe is our top priority

Our top priority is to keep our customers and engineers safe. Following the latest guidance, our engineers will always:

- Wash or sanitise their hands before entering your home – and at regular intervals during the appointment
- Keep at least 2 meters away from you at all times. And they'll ask everyone in your home to do the same for them – ideally, by staying in a different room
- Wear disposable or protective gloves as appropriate while doing the job
- Ask you to open windows near to where they'll be working before they arrive
- Tidy up in a careful, Covid secure way afterwards

If anyone in your home has Covid-19 symptoms, please don't book an appointment just yet.

How to upgrade

To book your free upgrade, go to britishgas.co.uk/smartupgrade or call **0330 332 2243***
