RE:G00WT649 Octavia Housing versus Ionela Flood
Wandsworth Court of possession , London, UK, April 2021

I worked with Mr Emil Mihai Lixandru in 2 occasions in the last 4 years.

On each occasion Mr Lixandru approached the legal matters with professionalism, took all preparatory steps and communicate constant with me in order to achieve the best outcomes for my cases.

I am grateful that our cooperation was based on best practice of working together and we manage to be successful. During each case we keep in touch constant to progress the matter, and we consult each other regarding the best defence strategy and complete all documentation timely.

I would warmly recommend Mr. Lixandru legal services as it can be sure will bring the best possible outcome for the client.

Please contact me if you need more details.

Kind regards

Ionela Flood
